

# Our commitment to Sustainability

**THE GLOBAL GOALS**  
For Sustainable Development

*At Atterbury, our commitment to sustainability and community enrichment is at the core of everything we do. We proudly align our projects with the United Nations Sustainable Development Goals (\*SDGs), fostering economic growth, community cohesion, and environmental sustainability.*

Atterbury, a leading property development and investment company with a 30-year track record of excellence in South Africa and internationally, focuses on creating developments that drive economic growth, sustainability, and community well-being. We are delighted to announce that our projects actively contribute to achieving 11 out of the 17 United Nations Sustainable Development Goals, showcasing our dedication to building sustainable, inclusive, and resilient communities.

## Atterbury Property achieved the following goals:

"SDGs: The Sustainable Development Goals are a set of 17 global goals adopted by the United Nations Member States in 2015 as part of the 2030 Agenda for Sustainable Development. They aim to address global challenges such as poverty, inequality, climate change, and environmental degradation, with specific targets to achieve by 2030."
